

Qualifications

- **Assistant Professor 2013–Present, Psychiatry**
Oregon Health & Science University
- **Assistant Professor 2010–2012, Psychiatry**
University of Central Florida College of Medicine
- **Medical Licenses**
Oregon, North Carolina, Florida (inactive), California (inactive)
- **Board Certification**
American Board of Psychiatry and Neurology – General Psychiatry, Child & Adolescent Psychiatry, Forensic Psychiatry

Residency and Fellowship

- **University of California, Davis** 2009–2010
Forensic Psychiatry
 - Performing violence and sexual risk assessments at Napa State Hospital
 - Providing clinical psychiatric care to Sacramento County Jail inmates
 - Conducting court-ordered and private assessments of competency to stand trial and insanity
 - Performing psychological testing, including tests of competency, malingering, and psychopathy
 - Testing proficiency includes MFAST, SIMS, TOMM, VRAG, SORAG, PCL-R, HCR-20
- **Duke University** 2007–2009
Child and Adolescent Psychiatry *Chief Resident*
 - Provided clinical care for children and adolescents in locked inpatient psychiatric wards, intensive care units, medical wards, schools, and both community and private clinic settings
 - Supervised emergency room care provided by adult psychiatrists for children and adolescents
 - Focus of clinics included Obsessive-Compulsive Disorder, ADHD, Drug and Alcohol use, Trauma and Abuse, and Autism
 - Provided both medication management as well as individual, group, and family psychotherapy
 - Organized and prepared academic curriculum for the child psychiatry fellowship
- **Duke University** 2004–2007
General Psychiatry
 - Provided clinical care on locked inpatient psychiatric wards, emergency rooms, intensive care units, medical wards, and drug and alcohol addiction centers
 - Care environments included state hospital, private hospital, Veteran's Affairs hospital, and a two year long residential substance abuse program
 - Training included experience in neurology, general medicine, emergency medicine, sleep medicine, and administration of Electroconvulsive Therapy (ECT)

Education

- **Tulane University** 2000–2004
Doctor of Medicine
- **University of Florida** 1997–2000
Bachelor of Science, Zoology *Magna Cum Laude*
- **University of Central Florida** 1996–1997
LEAD Scholar

Additional Medical Experience

- **Central Florida Behavioral Hospital, Orlando FL** 2012
Inpatient Psychiatry
 - Inpatient psychiatrist for children, adolescents, and dual-diagnosis adults
- **University of Central Florida Student Health Services, Orlando FL** 2010–2012
College Mental Health
 - Provided psychiatric care for students in a multi-disciplinary outpatient treatment center
- **Fellowship Hall, Greensboro NC** 2007–2009
Addiction Disorders
 - Provided general medical and psychiatric care for patients in a 28-day residential substance abuse treatment center

Teaching

- **University of Central Florida College of Medicine, Orlando FL** 2010–2012
S6 – Neuroscience
 - Present key psychopathology and psychopharmacology concepts to medical students in their second year. Materials I developed for this course are being used internationally, including at Myungsung Medical College and Addis Ababa University.
- **University of Central Florida College of Medicine, Orlando FL** 2011–2012
I1 – Research
 - Research Mentor for students in their "Focused Individualized Research Experience" (FIRE).
- **University of Central Florida College of Medicine, Orlando FL** 2011–Present
M3 – Psychiatry
 - Teaching students the clinical application of psychiatry and psychopharmacology concepts during their rotation.
- **University of Central Florida College of Medicine, Orlando FL** 2011–2012
C1 – Psychosocial Issues in Medicine
 - Course director for behavioral science and medical ethics class.

Presentations

- Virtual Evidence of Human Behavior: Technology as Co-Conspirator *Accepted for 02/2014*
American Academy of Forensic Sciences, 2014: Seattle, Washington
- Computers and Technology in Forensic Psychiatry
American Academy of Psychiatry and Law, 2013: San Diego, California
- Early Career Guidance: “If I had Known Then What I Know Now”
American Academy of Psychiatry and Law, 2012: Montreal, Québec
- Computers and Technology in Forensic Psychiatry
American Academy of Psychiatry and Law, 2011: Boston, Massachusetts
- Exploring Characteristics of Malingerers using the Structured Interview of Reported Symptoms.
Royal Australian and New Zealand College of Psychiatrists Forensic Section, 2010: Prato, Italy
– Research presentation with Barbara McDermott, PhD, Keelin Garvey, MD, and Jessica Ferranti, MD.
- Practical Neurology: Approach to the Common Psychiatric Comorbidities
Florida Society of Neurology, Practical Neurology, October 2, 2010
– Part of a weekend course on neurology and neuroscience for primary care physicians.
- Dissociative Identity Disorder
American Academy of Psychiatry and Law, 2009: Baltimore, Maryland
– Presentation with Charles Scott, MD, Keelin Garvey, MD, and Jessica Ferranti, MD
- “fMRI of Deception in a Poker Paradigm vs Human and Computer” (poster session)
American Academy of Psychiatry and Law, 2009: Baltimore, Maryland
– Research with Daniel Bowling, JD, R. Mckell Carter, PhD, and Scott Huttel PhD.
- History of Civil Commitment
American Academy of Psychiatry and Law, 2008: Seattle, Washington
– Panel with Ken Weiss, MD, Peter Barboriak, MD, and Robert Sadoff, MD
- Grand Rounds – Physician Discipline in North Carolina
Duke University Medical Center, 2008: Durham, North Carolina
- “Physician Impairment Across Specialties” (poster session)
American Academy of Psychiatry and Law, 2006: Miami, Florida
- Duke University Law School Trial Law – Mock Trial
Duke University Law School, 2006 and 2007: Durham, North Carolina
– Assisted law students as an expert psychiatric witness in mock trials.
- “Hepatic Pathological Correlates in Chronic Alcohol Use”
Fellowship Hall Hospital, 2005: Greensboro, North Carolina

Research Experience

- **Research Clinical Provider** 2012
PI: Deborah Beidel, PhD *University of Central Florida*
 – Trauma Management Therapy for OEF and OIF Combat Veterans - Managed medications for patients enrolled in Trauma Management Therapy protocol targeting Combat PTSD symptoms.
- **Research Collaborator** 2009–2010
PI: Barbara McDermott, PhD *University of California, Davis*
 – Performed malingering testing and evaluation of characteristics of pre-trial evaluatees with feigned mental illness.
- **Research Assistant** 2008–2009
PI: Scott Huettel, PhD *Duke University*
 – Collaborated on an analysis of deception as measured by fMRI.
- **Primary Investigator** 2006–2008
Duke University *Durham, NC*
 – Analyzed North Carolina Medical Board discipline data to correlate categories of physician offenses and specialties. Presented as a poster at the American Academy of Psychiatry and Law conference, with a manuscript submitted for publication.
- **Open-Label CBT Provider** 2007–2009
Pediatric OCD Treatment Study II *Duke University*
 – Provided a manualized cognitive-behavioral therapy specific to OCD as a part of a multi-site trial comparing medication, psychotherapy, and combination treatments in children.
- **Research Clinical Provider** 2007–2009
Child and Adolescent Psychiatry Trials Network *Duke University*
 – Clinical provider for the ASK and PARCA studies, aimed at evaluating the safety of SSRI antidepressants in children and adolescents.
- **Research Clinical Provider** 2008–2009
Pre-School Atomoxetine Study *University of Nebraska*
 – Provided parent training and medication management to preschoolers with ADHD, randomized to either atomoxetine or placebo.
- **Research Assistant** 2003
PI: Erich Lang, MD *Tulane University*
 – Analyzed data on the outcome of liver cancers treated by alcohol ablation, chemoembolization, and chemotherapy.
- **Research Assistant** 1999–2000
PI: Lung-Ji Chang, PhD *University of Florida*
 – Developed plasmids for the construction of lentiviral gene therapy vectors. My participation in this research was through a University Scholars award.

Publications

- Nanton, A “Sybil Exposed: A Look at Dissociative Identity Disorder”
Psychiatric Times, May 2012.
- Nanton A, Beinfeld D “Forensic Psychiatric Interview”
Medscape Reference eMedicine, October 2011.
- Nanton A, “The SSRI Safety Controversy: A Resident’s Perspective”
American Journal of Psychiatry Resident Journal, May 2008.

Software Development

- Jail Psychiatric Services Documentation Assistant, 2010
– Automates the insertion of patient and provider information into standardized PDF forms.
- www.LobesAndRobes.com, 2007–2009
– Developed a forensic psychiatry portal and online community, with a virtual reading group for Isaac Ray’s *A Treatise on the Medical Jurisprudence of Insanity*.
- Virtual Radiograph Room, 2001–2004
– Authored portions of a computer-based introduction to CT imaging for Tulane University School of Medicine.
- Digital Animation, 2000
– Created 3D model, animation, and rendering of a Röntgen tube as a teaching tool for the University of Florida Department of Radiology.

Service and Leadership

- Chair of Early Career Committee Chair, American Academy of Psychiatry and Law, 2011–Present
- Peer Reviewer, MedEdPortal, 2011–2013
- Faculty Senate IT Resource Advisory Committee, UCF Faculty Senate, 2011–2012
- Computer Committee Member, American Academy of Psychiatry and Law, 2008–Present
- Early Career Committee Member, American Academy of Psychiatry and Law, 2007–Present
- Chief Resident, Duke Child and Adolescent Psychiatry Fellowship, 2008–2009
- Administrator, Psychosocial Treatments of Childhood Disorders Blackboard Site, 2007–2009
- Forensic Committee Member, North Carolina Psychiatric Association, 2007–2009

Professional Memberships

- Diplomate, American Board of Psychiatry and Neurology
- American Academy of Psychiatry and Law
- American Academy of Child and Adolescent Psychiatry

Honors and Awards

- University of Central Florida College of Medicine *Excellence in Teaching* Award
- University of Florida *University Scholars* Research Grant – Lentiviral Gene Therapy Vectors
